**WAMPLER**  
BUILT IN USA

# DRACARYS

DISTORTION

*High gain has changed considerably over the years, its taken us to new levels of power, aggression and clarity. The Dracarys brings it all.*

**Volume:** Controls the total output level of the pedal.

**Active 3 Band EQ:** The Wampler Dracarys has an active 3 band EQ (Bass, Middle, Treble). You can either add or take away each frequency independently.

**Gain:** This controls the total amount of gain that is applied to the signal path. Turning the gain control clockwise will increase the amount of gain applied to the circuit.

**The Open/Tight switch:** In the Open setting, the response is much fuller and responsive. In the Tight setting, the tone compresses like a tube amp being pushed to the limit.

**Power:** This pedal was designed around the usage of a 9v or 18vDC power source and is intended to sound its best at 9V. To avoid damage to the pedal, do not exceed 18VDC, do not use center pin positive adapters and do not use AC power. Using an incorrect power adapter can lead to damage and will void the warranty on the pedal. This pedal draws between 29mA (at 9v) and 31mA (at 18v). The warranty begins at the point of purchase.

**WAMPLER Pedals Limited Warranty** WAMPLER offers a five (5) year warranty to the original purchaser that this WAMPLER product will be free from defects in material and workmanship. A dated sales receipt will establish coverage under this warranty. This warranty does not cover service or parts to repair damage caused by accident, neglect, normal cosmetic wear, disaster, misuse, abuse, negligence, inadequate packing or shipping procedures and service, repair or modifications to the product, which have not been authorized or approved by WAMPLER. If this product is defective in materials or workmanship as warranted above, your sole remedy shall be repair or replacement as provided below.

#### RETURN PROCEDURES

In the unlikely event that a defect should occur, follow the procedure outlined below. Defective products must be shipped, together with a dated sales receipt, freight pre-paid and insured directly to WAMPLER SERVICE DEPT - 5300 Harbor Street, Commerce, CA 90040. A Return Authorization Number must be obtained from our Customer Service Department prior to shipping the product. Products must be shipped in their original packaging or its equivalent; in any case, the risk of loss or damage in transit is to be borne by the purchaser. The Return Authorization Number must appear in large print directly below the shipping address. Always include a brief description of the defect, along with your correct return address and telephone number.

When emailing to inquire about a returned product, always refer to the Return Authorization Number. If WAMPLER determines that the unit was defective in materials or workmanship at any time during the warranty period, WAMPLER has the option of repairing or replacing the product at no additional charge, except as set forth below. All replaced parts become a property of WAMPLER. Products replaced or repaired under this warranty will be returned via ground shipping within the United States-freight prepaid. WAMPLER is not responsible for costs associated with expedited shipping, either to WAMPLER or the return of the product to the customer.

**INCIDENTAL OR CONSEQUENTIAL DAMAGE** In no event is WAMPLER liable for any incidental or consequential damages arising out of the use or inability to use of any WAMPLER product, even if WAMPLER or a WAMPLER dealer has been advised of the possibility of such damages, or any other claim by any other party. Some states do not allow the exclusion or limitation of consequential damages, so the above limitation and exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which may vary from state to state.

#### FOR YOUR PROTECTION

Please complete the online warranty registration within (10) ten days of the date of purchase so that we may contact you directly in the event a safety notification issued in accordance with the 1972 Consumer Product Safety Act.
